Apartment with balcony in Illetas

This complex has been built of magnificent quality details, both inside and outside. The well-kept building with elevator and doorman is located between Bugambilia flowers and pine trees, just a few steps from the beach. The apartment consists of 2 large bedrooms and 1 bathroom, a small practical kitchen from which you can see the living room with dining area. From the living room there is access to the balcony, from where you can enjoy the beautiful color of the sea; a perfect place to spend an evening with friends after a day at the beach. To the property also belongs a large community swimming pool. Illetas is an ideal place for those who want to be close to the sea and to Palma. Located on the southwest coast of Mallorca, Illetas offers stunning views of the sea with crystal clear water. The royal golf course of Bendinat and the marina of Portals is located within few minutes drive.
