Lovely house in the sought after area of Cas Catala

Spacious house located in the nice residential area of Cas Catala. The house offers a rooftop terrace with stunning views and a garden with large pool. The property is sold fully furnished and all the decoration and art from around the world is included in the price. The total living space of 200 m2 is distributed over two floors. There are four bedrooms and three bathrooms, a living room with dining area and a fully equipped kitchen with access to a large terrace. The house has beautiful parquet floors and stairs of Egyptian marble. Additional information: parking, double glazing, central heating, air conditioning. Cas Catala is a quiet and nice family-friendly area with schools, flexible public transportation, grocery stores, caf  s and banks. There are several lovely beaches, popular restaurants, the golf course "Real Golf Bendinat" and the marina of San Agustin. It takes only 10 minutes' drive to Palma and about 20 minutes to the international airport Son Sant Joan.
