Penthouse in Sa Vinya with fantastic sea view

At a top location in Sa Vinya, right in front of the large swimming pool and the sea, we find this beautiful apartment. Sa Vinya is a very exclusive and well-managed community that offers all possible service to the members. The apartment consists of two bedrooms and two bathrooms. Both of them are spacious and one of them has wonderful sea views and a bathroom en-suite. On the right side of the entrance, we find the kitchen with windows facing the mountains to the north and through an opening in the wall you can look into the living room with beautiful sea views. The living room has a dining area and fireplace. From the living room, sliding glass doors open onto a terrace of approximately 20 m2, with fantastic views of the pool, the beautiful garden and the sea. From the terrace you reach the large roof terrace of 70 m2 via an external staircase. From here you have breathtaking view. Bendinat is one of the most tranquil and quiet residential areas in the southwest of Mallorca. It has a perfect location with proximity to white sand beaches, marinas, schools, health centers, supermarkets, and banks. The center of Palma is 10 minutes away.
