Large loft in El Terreno with view over the port

Large loft with open plan living in excellent condition far down in the nice area El Terreno, within walking distance to Palma centre. Everything is in excellent conditions and along the entire facade runs a long terrace overlooking the port. This location has a perfect exposure to the street Joan Miró; and within a short walking distance you reach the beautiful harbor promenade Paseo Marítimo. From the street level, a wide, representative staircase leads up to the loft. The venue works great for showroom or activities such as yoga and Pilates. There is also a unique possibility to buy additional padel courts and pool, Ref MF1752B. Additional information: Air Conditioning, double glazing, possibility to buy extra 2 parking spaces in garage.
