Luxury penthouse with roof terrace and private pool in Santa Catalina

This exclusive project of a total of 3 apartments will be built in a former factory building in Santa Catalina. The location is excellent, on a quiet street but within walking distance to the wide range of restaurants, bars and the market. The apartments will be built with materials of the highest quality and the design will be modern with large open spaces and large windows that allows plenty of natural light. All 3 apartments consist of two floors. The estimated construction start is December 2017 and is expected to be completed in March 2019. This fantastic penthouse apartment has a total living area of 146 m2 and consists of three floors. On the first floor we find 3 bedrooms all with en-suite bathrooms, on the second floor the kitchen and living room in an open plan and a guest toilet. On the third and top floor we find the nice roof terrace of 51 m2 with private pool. Additional information: Garage for 2 cars, storage room, elevator. For more information regarding the other apartments can be seen in the reference numbers MFP033A and MFP033B. Santa Catalina is a trendy and popular area in central Palma with great atmosphere and a lively indoor market with fresh vegetables, meat and fish from Mallorca. The picturesque streets around the old fishing district lined with nice cafes and restaurants. Within walking distance you can reach the centre of Palma and the beautiful harbour with its promenade. A quick bus route is nearby which will take you to the airport and many beaches.
