Luxury villa with great views in Bonanova

We are proud to present this new exciting sea view project that will be built in Bonanova, with impressive design and quality features. It consists of 2 luxury villas with terraces, pool and garden. The right house will have a total built area of 570 m2 divided in 3 floors. The basement level consists of a garage with space for 2 cars, sauna and an additional room which can be used as a gym, office etc. On the ground floor we find the spacious living room with an open plan kitchen and access to several terraces and the beautiful infinity pool. The first floor has 4 bedrooms, all of them with bathroom en suit, and two of them with access to a terrace. For more information regarding the other house, please click here. Bona Nova is located on the outskirts of Palma de Mallorca and close to everything. There are several transports to get quickly and easily to the beach or downtown, walking distance to the big shopping center Porto Pi and to the beautiful harbor.
