New Project with terraces, garden and community pool in Cala d'Or

Acquamarina is a new development on the south east coast of Mallorca, situated near the Cala d'Or Marina. Cala d'Or is a perfect place for lovers of nautical pursuits and here you can also enjoy the Mediterranean cuisine found at the many prestigious restaurants and charming terraces. The project consists of 2 bedroom homes with pure Mediterranean style architecture. The complex is surrounded by spacious gardens with native plants and a community pool where you can make the most out of the pleasant climate that the island offers. The ground floor apartments have large terraces with a private porch and garden, while the penthouses have a private solarium with magnificent views. These modern apartments in minimalistic style are equipped to a high standard and every detail has been taken care of. The prices vary between 225.000 € and 305.000 €. Additional information: each apartment has an outdoor parking space, double glazing, A/C, heating. Cala d'Or is a popular holiday resort on the south-east coast Mallorca. It offers many small beaches including Cala Gran, Cala d'Or, Cala Egos, Cala Es Forti, Cala Serena and Cala Esmeralda. The nearest major town is Santanyi and the pretty fishing port of Porto Petro is only a five-minute journey by car. Palmas airport is reach within 45 minutes' drive.
