Project of 7 quality designer apartments in Palma

This project of seven high-quality apartments is currently being completed in the Son Armadams area of Palma. The location is excellent, surrounded by beautiful green areas and close to all amenities, as well as the Bay of Palma. The main aim of the project has been to capture as much natural light as possible through the large windows and floor-to-ceiling doors. The terraces will allow residents to enjoy the island's mild climate for most of the year. There will be a communal pool area with sun deck. This bright and modern apartment is located on the second floor with terrace of 12 m2 which is accessed both from the living room and the master bedroom. The property of 94 m2 consists of 2 bedrooms and 2 bathrooms and a large living room that opens up onto the terrace. The open kitchen is fully equipped with kitchen equipment from Siemens or similar brand and connects perfectly to the terrace. The entire property has underfloor heating and air conditioning. 1 parking space and a storage space is included. Additional information: underfloor heating, air conditioning, underground parking, elevator, storage rooms.
