Newly built apartments in beautiful Palmanova

This new apartment complex is located in Palmanova, a popular residential area for many residents thanks to its proximity to Palma and excellent infrastructure that makes it possible to live there all year round. The project is only 400 m from the sea and it is only a 10 minute drive to Palma. Construction started in May 2023 and completion is expected first quarter of 2026. There are a total of 36 apartments with living areas ranging from 46 sqm to 80 sqm. Each apartment has a spacious living/dining room, a fully furnished and equipped kitchen, 2 full bathrooms (one en suite), and 1-3 bedrooms depending on the unit. There spacious terraces are of sizes up to 18 m2. There is also underground parking and storage. The master bedroom has its own walk-in closet. The residences are designed to be open to the outside with large windows that let in plenty of light and create a unique atmosphere. The apartment complex also has two pools, one saltwater pool for adults and one for children, as well as a gym and other common areas. Additional information: Air conditioning, elevator, pre-installation for electric car charging, community pool, community garden.
